

Heat Networks Policy and Practice

17 May 2012

Krista Patrick

CLASP

CLASP.

Overview

This morning's session will be focussing on national policy developments and practical implementation of heat network projects by local authorities.

There will also be a round table discussion providing the opportunity for you to ask questions, share your experiences and explore how some of the approaches featured could be applied to your area.

Agenda

- 9.00 Registration
- 9.30 Welcome and Introductions
- 9.40 The Future of Heating: A Strategic Framework for Low Carbon Heat
- 10.20 Cheshire and Warrington Local Energy Networks
- 10.40 Greater Manchester Heat Networks Programme
- 11.00 Refreshment Break
- 11.20 Practical Implementation of District Heating Projects
- 12.00 Workshop/Discussion
- 12.50 Concluding Remarks
- 13.00 Close

CLASP.

Discussion

4 key questions we would like you to consider in 30 mins

- What stage are you up to in developing heat networks in your area?
- What are the opportunities and challenges for local authorities and partner organizations
- What are your next steps?
- What support is required and how can CLASP help?

Final Q&A for panel - 20 mins

CLASP Support

What do you need further support on?

How can CLASP help?

- Action Learning Set
- Shared Learning Group
- Training
- Guidance
- Other?
